## Letter to Members

Dear Members,

Due to the ever increasing risk of Covid-19 (Coronavirus) spreading throughout our community, the Board of the Cronulla Sailing Club has suspended all sailing and social events until 1<sup>st</sup> May 2020, after which we will reassess the situation.

This decision has been made based on all the available information from both State and Federal Government agencies and our governing body, Australian Sailing. The health and safety of our members, staff and volunteers is our first priority followed closely by the greater community. This action falls in line with many other NSW Sailing Clubs and Sporting Associations across the country.

We have also canceled our last three weeks of Friday Night Twilight Sailing and Bar Trading effective immediately.

Rest assured that we have not made this decision lightly and we are fully aware of the disappointment this brings to our members, however, when this virus slows down and things return to normal we will be back bigger and better than ever.

The Board of the Cronulla Sailing Club will be constantly monitoring the situation and will keep all of our members up to date with any changes that may take place, but for now, it is all about staying healthy and looking after each other.

Regards

Rob Francis
